## A. RIGHTS GRANTED

1. The Contributor hereby grants to Journal of Bacteriology and Virology for the duration of the statutory term of copyright protection, the full and exclusive rights comprised in your Contribution including but not limited to the right to publish, republish, transmit, sell, distribute, store and process in electronic media of any kind, include in document delivery services and otherwise use the Contribution in whole or in part in electronic and print editions of the Journal and in derivative works throughout the world, in all languages and in all media of expression now known or later developed, and to license or permit others to do so.
2. Reproduction, posting, transmission or other distribution or use of the final Contribution in whole or in part in any medium by the Contributor as permitted by this Agreement requires a citation to the Journal and an appropriate credit to Journal of Bacteriology and Virology as Publisher, suitable in form and content as follows: (Title of Article, Author, Journal Title and Volume/Issue Copyright © [year] copyright owner as specified in the Journal).

3. Please note that Journal of Bacteriology and Virology reserves the right to require changes to the Contribution, including changes to the length of the Contribution, as a condition of acceptance.
4. Please note that Journal of Bacteriology and Virology reserves the right, notwithstanding acceptance, not to publish the Contribution if for any reason such publication would in the reasonable judgment of Journal of Bacteriology and Virology, result in legal liability or violation of journal ethical practices.

## B. RETAINED RIGHTS

Notwithstanding the above, the Contributor or, if applicable, the Contributor's Employer, retains all proprietary rights other than copyright, such as patent rights, in any process, procedure or article of manufacture described in the Contribution.

## C. PERMITTED USES BY CONTRIBUTOR

1. Journal of Bacteriology and Virology hereby licenses back to the Contributor the following rights with respect to the final published version of the Contribution:

- a. Copies for colleagues. The personal right of the Contributor only to send or transmit individual copies of the final published version in any format to colleagues upon their specific request provided no fee is charged, and further-provided that there is no systematic distribution of the Contribution, e.g. posting on a list serve, website or automated delivery.
- b. Re-use in other publications. The right to re-use the final Contribution or parts thereof for any publication authored or edited by the Contributor (excluding journal articles) where such re-used material constitutes less than half of the total material in such publication. In such case, any modifications should be accurately noted.
- c. Teaching duties. The right to include the Contribution in teaching or training duties at the Contributor's institution/ place of employment including in course packs, e-reserves, presentation at professional conferences, in-house training, or distance learning. The Contribution may not be used in seminars outside of normal teaching obligations (e.g. commercial seminars). Electronic posting of the final published version in connection with teaching/training at the Contributor's institution/place of employment is permitted subject to the implementation of reasonable access control mechanisms, such as user name and password. Posting the final published version on the open Internet is not permitted.
- d. Oral presentations. The right to make oral presentations based on the Contribution.

## **2. Article Abstracts, Figures, Tables, Data Sets, Artwork and Selected Text (up to 250 words).**

- a. Contributors may re-use unmodified abstracts for any non-commercial purpose. For on-line uses of the abstracts, Journal of Bacteriology and Virology encourages but does not require linking back to the final published versions.
- b. Contributors may re-use figures, tables, data sets, artwork, and selected text up to 250 words from their Contributions, provided the following conditions are met:

- (i) Full and accurate credit must be given to the Contribution.
- (ii) Modifications to the figures, tables and data must be noted. Otherwise, no changes may be made.
- (iii) The reuse may not be made for direct commercial purposes, or for financial consideration to the Contributor.
- (iv) Nothing herein shall permit dual publication in violation of journal ethical practices.

### **D. COPYRIGHT NOTICE**

The Contributor and the company/employer agree that any and all copies of the final published version of the Contribution or any part thereof distributed or posted by them in print or electronic format as permitted herein will include the notice of copyright as stipulated in the Journal and a full citation to the Journal as published by Journal of Bacteriology and Virology.

### **E. CONTRIBUTOR'S REPRESENTATIONS**

The Contributor represents that the Contribution is the Contributor's original work, all individuals identified as Contributors actually contributed to the Contribution, and all individuals who contributed are included. If the Contribution was prepared jointly, the Contributor agrees to inform the co-Contributors of the terms of this Agreement and to obtain their signature to this Agreement or their written permission to sign on their behalf. The Contribution is submitted only to this Journal and has not been published before. (If excerpts from copyrighted works owned by third parties are included, the Contributor will obtain written permission from the copyright owners for all uses as set forth in Journal of Bacteriology and Virology's permissions form or in the Journal's Instructions for Contributors, and show credit to the sources in the Contribution.) The Contributor also warrants that the Contribution contains no libelous or unlawful statements, does not infringe upon the rights (including without limitation the copyright, patent or trademark rights) or the privacy of others, or contain material or instructions that might cause harm or injury.
